ATTENVIOUS CATINI to the Botice of New Indian Agent, Morris B. Brown as been appointed. Indian Agent for Mai J. Mann Snancial agent of the plantation, employing fifty-five hands, says be engaged in this business to convince the Southern people that the negro would ware the southern people that the negro would ware the southern southern sub-agent at Wilmington, has one-fourth profits of a large rice plantation, for compelling segmes to work. He explained the manner in which he compelled freedmen to comply with their contracts by stating that he READ this morning's despatches. They are highly interesting, and, in certain portions very suggestive. THE Ute Indians, now engaged in hosern and South-eastern po tiens of Utah with their contracts, by stating that he put them to work with ball and chain on the streets of Wilmangton, and on Sical-man and Fullerton are now examining afgive as a reason for their conduct that the Mormons killed San Pitch, their head chief, while he was in their power—that man and Fullerton are now examining affairs in South Carolina

Gen. Howard, of the Freedmans' Buneth water a factor of the Freedmans' Buneth water a factor of the Freedmans' Buneth water a factor of the Freedmans' Buneth water tester concerning Steadman's and Fullerton's report. In cisa the summan efficers, all through the South, have invested what little money they can all in materials and fittle money they can be in an official partite. It was not be a private a fam. I work. The he went to them upon promises made the setting of all idlers at work. The their chief and they declare that notufreedom, and man mak to blacken the reputation of every thin was has shown the falsity of their theories, by practical declare that the offilift position is and declare that the offilift position is also to red their of their of their tribagnost notes in a notion in the contraction of their tribagnost notes in a notion in the contraction of their tribagnost notes in a notion in the contraction of their tribagnost notes in a notion in the contraction of their tribagnost notes in a notion in the contraction of their tribagnost notes in the contraction of the contraction of their theories. the poor people and we did not get them at work. There have not yet received the

that he should not be molested. We are THE ERECHANDISE was killed. It is, bowever, authoritatively stated that the Utes demand the bodies of six Mosmon Bishops as a "blood stonement" for the killing of their chief and they declare that nothing but blood will avenge his death.
